

KW Pin

The KW Pin - a lifetime award - recognizes Toastmasters who have ten or more *simultaneous and continuous* years of membership in more than one club.

KW PIN

The KW pin honours Marion Kremers and Shelley Walker (K for Kremers and W for Walker). Both served as District Governors and continue to share their talent and enthusiasm for Toastmasters by belonging, simultaneously, to more than one club for ten consecutive years.

Created in 2013, and supported by the District Governors' Circle, this lifetime recognition is awarded at the Spring Convention to Toastmasters who have at least ten years of simultaneous and continuous membership in two clubs.

To apply for the award, qualifying Toastmasters are asked to complete the following application, with details of their membership record. Please submit to the Awards Committee DistrictAwards@District64.ca at least two weeks prior to the convention.
