

KW PINS

The KW pin honours Marion Kremers and Shelley Walker (K for Kremers and W for Walker). Both served as District Governors and continued to share their talent and enthusiasm for Toastmasters by belonging to more than one club.

The Past District Governors commissioned the pin to recognize long term multiple memberships. The pin is awarded annually at the Spring Conference Awards Banquet to Toastmasters who have at least ten years on continuous membership in two clubs. To apply for the award, members are asked to submit an application form to the District Director along with their membership record at least 2 weeks prior to the banquet.
