Director's Message

Take Your Leadership to the Next Level

Happy New Year to everyone in District 64. I hope you had a wonderful holiday season with your families and loved ones.

This is the time of year when we, as a District, start to plan for next year. A Call for Nominations will be going out shortly for candidates to fill important District roles such as Area Division Director, Club Growth Director, Program Quality Director and District Director.

Serving on the District Executive gives you an opportunity to hone your leadership skills and take them to the next level. It gives you insight as to how the organization works at higher levels. It gives you the opportunity to develop success strategies and implement them in a cooperative, encouraging environment.

We are always looking for people with new ideas willing to help move the District forward. The pandemic has had a major negative impact on not only our District but Toastmasters overall. Are you ready to take on a leadership role and help rebuild? Do you know someone who would benefit from the experience?

Take the opportunity to nominate someone. Better yet, nominate yourself. We would be happy to have you on our team.

Michael Bayer, DTM, AS
District Director

Program Quality

Happy New Year to the members of the District!

Where does the time go? We are less than 6 months away from Toastmasters' New Year and the amount of work left to do is incredible for the clubs and for your District Leadership Team. I hope that everybody has recharged their own battery and are ready to do what is needed to grow and become distinguished at the end of that time.

It is January, which means Club Speech Contests have begun!! The [District 64 2023 Speech Contest website](#) has all types of resources needed for you to host contests.

**Visit the District 64
Speech Contest Page**

Included in there is the [District 64 Speech Contest Tracker](#). Please update the tracker with your contest dates and results. The tracker is divided into four tabs at the bottom of the spreadsheet labeled Club Contest, Area Contest, Division Contest, and Judges-Timers-BC-Zoom.

Note the many volunteering opportunities on the Judges, Ballot Counters and Timers tab. Help the organizers and sign up right on the tracker.

We also added in a link for the 2022 World Champion of Public Speaking winner, Cyril Junior Dim.

Our Winter TLI "Are Your Hearing Crickets?" is running on track for Saturday, February 11th and we have our keynote speakers for the Spring Conference already in place. It takes a team to accomplish anything worth doing and I am thankful for the teams that I have been working with to date this year.

David Storey, DTM
Program Quality Director

Club Growth

At Your Service

Happy New Year! Who is ready for another exciting and fun six months of learning, development and discovery? The Club Growth Director (CGD) team is already planning and taking action to support and serve clubs and members in District 64.

Laverne Wojciechowski and I will be leading another club extension push to help progress existing club leads and to generate more opportunities. We are striving to continue to build momentum into the next TM year.

Learn More About Club Coaching & Speechcraft

Want to develop as a leader?

A perfect way to practice these skills are to step up to become a club coach, sponsor and/or mentor. All of these roles enable networking, friendship-building, leadership skills development and help you gain a credit towards the coveted DTM.

Want to build club membership?

Consider running a Speechcraft in your club. Win a \$50 gift certificate to the TMI store for the first five (5) clubs that successfully run a Speechcraft that leads to gaining two (2) new, non-Toastmaster members!

You never know what possibilities and opportunities await until you jump in, engage, and take action to learn, serve and have some fun together!

Want to learn and engage with any Club Growth efforts at the district level? Send me an email!

Stephen Bryden, DTM Club Growth Director
